- Below Matriculation – You left high school before 10th grade
- Matriculation – you did not complete your final exams in high school
- Graduate – you hold a college degree
- Higher secondary – you graduated high school
- Post graduate – you received a master's degree or PhD
- Professional – you attended professional training and received a certificate

Parents/spouses details:

The form will require these sections to be filled in. If you are married the form will require you to enter your spouse's details. If your spouse is deceased please write single in the marital status box.

Previous visas:

If you have visited India before on your current passport then you must provide the details of the last visa. Failure to do so may result in the application being rejected.

Countries visited:

Please list all countries visited in the last 10 years. No dates are required. Ensure any passport stamped countries or countries you have required a visa are listed.

Present occupation:

If you are not currently working please enter 'retired' or 'unemployed' on the form.

The Evisa is electronically attached to your passport number, you will also receive a paper copy that must be kept in your passport. It is suggested to take a photocopy of this and place in your luggage also. The date of issue on the paper visa is the date the visa was granted to you. You must enter India within 30 days of this date. The date of expiry is the last date you are able to enter India before you would need to re-apply for an entry visa (please see picture below) Once you have entered India the 30-day visa period will begin.
